Friends of Frayne

We extend a very sincere thanks to everyone in our College community who has assisted with the numerous undertakings of the Friends of Frayne, whether it be morning teas, evening functions, sports days, fundraising events, Fun Runs, First Reconciliation and First Eucharist evenings, assistance to families in need...the list goes on and on.

Thank you one and all for your support of these ventures which helps build our community and provides wonderful opportunities for its members to interact.

A number of activities involved fundraising and will assist in providing additional amenities for our students to enjoy.

Over the past years, the funds raised through the Friends of Frayne activities have assisted with our ongoing drive to install air conditioning in classrooms. Your efforts in 2009 will ensure this project continues with more air conditioning units being installed over the coming Christmas break.

Thank you again for your support in this area and with continued efforts in these areas we will continue to enjoy improved facilities for our students and staff to enjoy and foster a strong sense of community.

In conclusion, a special thank you to the Friends of Frayne Executive, under the direction of Mrs Tania Baharom, for their enthusiasm and dedication to the task.

Congratulations

Listed below is an excerpt from a letter received from Elizabeth Larkin, Education Services Co-ordinator, Francis Burt Law Education Centre, following a recent visit to the Centre by some of our Year 10 students under the direction of Mr Carlier and Mr Banks:

6 November 2009
Volume 20, Issue 32

"The class visited the Centre for two hours during which time they fully participated in the mock trial re-enactment of John Gaven in the Old Courthouse Law Museum, viewed a trial in session and participated in an empty court activity. The students were polite, enthusiastic and a pleasure to teach. They were a credit to your school and to their teachers."

We also extend congratulations to Kirra Walter of Year 9, on her selection by the City of Belmont to be a member of their student delegation to visit Adachi in Japan, to celebrate the 25th anniversary of their sister city relationship.

Chaplain's Reflection

The Brick

A young and successful executive was travelling down a neighbourhood street, going a bit too fast in his new Jaguar. He was watching for kids darting out from between parked cars and slowed down when he thought he saw something. As his car passed, no children appeared. Instead, a brick smashed into the Jag's side door! He slammed on the brakes and backed the Jag to the spot where the brick had been thrown.

The angry driver then jumped out of the car, grabbed the nearest kid and pushed him up against a parked car shouting, "What was that all about and who are you? Just what the heck are you doing? That is a new car and that brick you threw is going to cost a lot of money. Why did you do it?"

The young boy was apologetic. "Please, sir...please, I'm sorry but I didn't know what else to do," he pleaded. "I threw the brick because no one else would stop..." With tears dripping down his face and off his chin, the youth pointed to a spot just around a parked car. "It's my brother," he said. "He rolled off the curb and fell out of his wheelchair and I can't lift him up." Now sobbing, the boy asked the stunned executive, "Would you please help me get him back into his wheelchair? He's hurt and he is too heavy for me."

Moved beyond words, the driver tried to swallow the rapidly swelling lump in his throat. He hurriedly lifted the handicapped boy back into the wheelchair, then took out a linen handkerchief and dabbed at the fresh scrapes and cuts. A quick look told him everything was going to be okay. "Thank you and may God bless you," the grateful child told the stranger. Too shook up for words, the man simply watched the boy push his wheelchair-bound brother down the sidewalk towards their home.

It was a long, slow walk back to the Jaguar. The damage was very noticeable, but the driver never bothered to repair the dented side door. He kept the dent there to remind him of this message: "Don't go through life so fast that someone has to throw a brick at you to get your attention!"

God whispers in our souls and speaks to our hearts. Sometimes when we don't have time to listen, He has to throw a brick at us. It's our choice to listen or not.

Year 8 Retreat

On Wednesday the Year 8 students, along with their teachers, went to Integrity House for a day filled with activities which helped them to appreciate their uniqueness and reflect upon all the gifts that God has given them. Despite the hot conditions the students enjoyed themselves and were a credit to the College in the way they participated in all the activities. Students were asked to reflect upon the following statement 'Life is like.....'. The responses were thought provoking and meaningful; here are a few examples:

- ⇒ Life is like a wave, because it can be hard to control.
- ⇒ In life you have to take risks to have fun.
- ⇒ Life is like a rollercoaster.
- ⇒ Life is like a wave, sometimes you will surf it sometimes it will drag you down.

The day concluded with a prayer activity where the students had to write individual prayers and place them on a large wooden cross. Sincere gratitude to the following staff members for making the day possible, Mrs Levitzke, Mrs Pietropaolo, Mr Bradley, Miss Martin, Mr Allen, Ms McGonigle and Mr Nicholls for providing morning tea.

Mrs Rosa Ranieri, Learning Area Co-ordinator, Religious Education

Law Courts Excursion

On Monday 2 November a group of Year 10 Law students visited the Francis Burt Law Education Centre and Supreme Court as part of their legal studies. The students viewed murder trial proceedings from the public gallery at the Supreme Court; participated in an 'empty' court personnel identification activity, as well as performing a trial re-enactment of the famous John Gaven case.

The students thoroughly enjoyed their excursion as it helped to consolidate their understanding of the trial process and the pursuit of justice. A special mention must be made of *Bridget Myers* and *Lauren Higham* in their roles as judges; *Jimmy Foster* and *Marc Aries Guevarra* as barristers and *Jordan Busher* as the defendant, John Gaven.

Thanks to *Ms Elizabeth Larkin*, Education Officer, FBELC, for her expert tuition and tour of the facilities.
